

Criminal Background Check Policy for Youth Sports Coaches

Resolution

In order to preserve the safety and well-being of youth participating in Sainte Genevieve County Community Center (SGCCC) programs, the following policy has been adopted requiring background screening for all volunteer youth sports coaches.

Implementation

Background checks are mandatory for all head coaches. A national criminal background check (as opposed to a county/local background check) will be performed on new (first year) coaches. New (first year) coaches are to undergo this national background check prior to the beginning of the sport or season they coach. Coaches who continue to participate following their first year (returning coaches) will be required to undergo a county/local background check annually. This county/local background check will be conducted through the county sheriff's department prior to beginning of the sport or season they coach. In addition, SGCCC will reserve the right to conduct random checks on all volunteers each year.

All coaches will be required to sign a written authorization form allowing SGCCC to order an individual criminal background check. All authorization forms must be turned in to the SGCCC office by the designated due date. Failure to provide a completed authorization form by the deadline may disqualify the volunteer from coaching.

National Criminal Background Screening Process

SGCCC has selected Sainte Genevieve County Sheriffs Office (SGCSO) to perform the national background checks for the first-year coaches.

Upon receipt of the Consent/Release Form, it will be sent to SGCSO. The background screening includes the following:

Social Security Verification-This verifies the coach's name against the social security number provided. This helps to eliminate the possibility of false names and/or information.

Address Trace-This verifies the coach's current address and identifies previous addresses. This information is used to determine the jurisdiction in which the background screening is conducted.

State or County "Smart Check"—A Statewide or Countywide (depending on the jurisdiction) criminal record check is performed to capture all misdemeanor and felony convictions in that jurisdiction. Utilizing the "Smart Check" the search is conducted in the jurisdiction with the longest and most current residency.

Sex Offender Registry-Search of State and/or County repositories for known sex offenders.

Within 2-5 days, SGCCC will receive a Profile Report on each volunteer that is submitted. This profile will include all relevant information related to the background screening process. If there is no criminal record found, this will be noted on the profile along with the jurisdiction that was searched. If conviction(s) are found, all details including charges, court disposition(s), and sentencing will be provided. If the volunteer profile includes any of the disqualifications listed below, SGCCC will be notified immediately via telephone that the volunteer may be disqualified and, therefore not allowed to coach in the youth sports program. The individual who has been disqualified will receive written notification informing the individual of his/her disqualification and information on how to dispute the results of the profile and his/her right to appeal.

Disqualification

A person will be disqualified and prohibited from serving as a volunteer for SGCCC if he/she has been found guilty of the following crimes. Guilty means the individual was found guilty following a trial, entered a plea of guilty or nolo contendere, entered a no contest plea accompanied by court's finding of guilty,

regardless of whether there was an adjudication of guilt (conviction) or a withholding of guilt or the record has been expunged. This policy does not apply if criminal charges resulted in acquittal or dismissal.

consideration will be given to the nature of the offense, the rehabilitation of the individual, and the offense as it relates to the position being applied for and the potential risk to children.

Appealing Decisions

Any coach denied by SGCCC may request an interview/review by the "Background Check Sub-Committee". The vote of the sub-committee regarding the appeal will be final.

How to Appeal

To appeal a decision, a person must file a notice of appeal. The notice of appeal must be mailed by registered mail to the Parks and Recreation Director within 30 days of receiving the background check notification letter. A copy of the decision that is being appealed (e.g., the notification letter) should be included with the notice of appeal.

In order for the notice of appeal to be accepted, it must include:

1. The full name and address of the appellant.
2. The name of the person, if any, making the request for an appeal on behalf of the appellant (e.g., lawyer or spokesperson).
3. The address of the person making the request on behalf of the appellant.
4. The ground for the appeal (provide a detailed explanation of the appellant's objections to the decision; describe additional facts or factual errors in the decision.)
5. The particulars relevant to the appeal (describe any background facts that relate to the appeal including how you are affected by the decision.)
6. A description of the relief requested (what do you want the Board to do at the end of the appeal.)
7. The signature of the appellant or the appellant's representative.

Handling of Information

The full-time staff person in charge of the program for SGCCC will administer the process of background checks for that particular program. He/She will be responsible for providing the Consent/Release Forms to the coaches, providing the received Consent/Release Forms to SSCI and the county, and reviewing the information received. ***All information received as a result of the screening process will be kept confidential.***

The results will not be disclosed to anyone other than the administrative staff of SGCCC and the appeal committee.

Should information be found that would prevent a volunteer from being accepted, SGCCC will be responsible for issuing any required written notices to the volunteer in a confidential manner. The volunteer is responsible for taking appropriate action to have the results of the criminal check report corrected if they believe information was reported in error.

SGCCC is also responsible for securing the written results of the criminal background checks in a safe and secure location, and keeping them for the time period required by law, or six years, whichever is greater.

Should the background check indicate that a volunteer has criminal charges pending that fit the description of charges in our detailed infractions list; the volunteer may be rejected from coaching until there is a resolution of the charges. Should an approved volunteer subsequently have any criminal charges brought against him/her that are listed in the detailed disqualification list during their term of service to SGCCC, they will be required to immediately disclose the nature of the charges to SGCCC and voluntarily terminate their coaching duties until a determination is made by SGCCC regarding the effect of the pending charges on the volunteer's functions within the program.

Non-waiver

Nothing in this policy shall be construed as a waiver or limitation of the discretion of SGCCC to disqualify an applicant for an employment or volunteer position when, in the sole opinion of SGCCC, such is in the interests of SGCCC or its program participants.
